**FOR IMMEDIATE RELEASE**

**George Weigel endorses *Journeys with a Tin Can Pilgrim*  
calling it a “moving” narrative**

*George Weigel, Catholic author and political analyst, shares his thoughts on  
Lynda Rozell’s book, *Journeys with a Tin Can Pilgrim**

**Flemington, New Jersey, 12/02/21:** Catholic theologian and one of America’s leading public intellectuals, George Weigel praises Lynda Rozell’s debut book as “quite moving”. He states that while *Journeys with a Tin Can Pilgrim* encompasses a variety of genres, the book uses these to focus on delighting in the love of God as well as stressing the importance of spiritual and mental health.

“...this distinctive book recounts a return to Catholic faith that transformed a hard-driving and well-compensated corporate lawyer into a peripatetic pilgrim... It’s a story of delight in the love of God, coupled with reflections on maintaining spiritual and mental health in the practice and sharing of the faith. Quite unusual, and often quite moving.” **George Weigel**

**About the Author**

Three years ago, Lynda Rozell sold her house, quit her job, and began living on the road full-time in an Airstream travel trailer she tows with a Ram 1500 truck. She provides RV’ing tips, and shares reflections about the religious sites, shrines and parks that she visits on her travel blog, [www.tincanpilgrim.com](http://www.tincanpilgrim.com). For many years, Lynda practiced law at a private firm and at the Federal Trade Commission in Washington, DC. Since becoming a nomad, Lynda writes and gives talks, as well as providing consulting, outreach, and volunteer services wherever she roams.
